Dear Daisy Meadows Equestrian riders,

I'd like to start by thanking you all for a fantastic year. We had outstanding results at provincial championships with multiple horse/rider combinations winning the reserve and overall provincial champions. I love working with you all and look forward to training hard and competing with the Daisy Meadows Equestrian (DME) show team this year!

I hope you all love the new DME website as much as I do, thank you so much to Hannah Ferguson, and all the riders for sending in your profiles. If we have not gotten your profile information yet, or you'd like to change your picture just email me. We hope to continue raising the profile of our riders and approach sponsors to support the team this competition season.

The Halloween DME/MJM schooling show was a huge success thanks to all of your hard work. It was truly a team effort. All proceeds DME receives from our schooling shows on Feb 2, March 16, and April 27 will go into the DME show team fundraising account. We currently have \$800 dollars left from last years fundraising. Our goal is to raise \$4000 by May 2014 so that we can build a cross country course in the summer of 2014. Our dressage ring and jumps are looking great thanks to all of your effort last year and I am confident we can reach our goal this year with your continued dedication and support.

On Saturday March 5, 2014 at 6pm we will have a team meeting to discuss another Club 54 Fundraiser for our team. We will also discuss competition memberships, show schedule, and the design of the cross country course, and Relay for Life. I would greatly appreciate it if you could all be there as team dinners are always fun! Your family is welcome of course.

We will be putting in another order of jackets, saddle pads, hats, and polo shirts before show season. Order forms, pictures, and sizing information will be up on the DME website. Bring your completed order forms and money to the team meeting on March 5, 2014.

On a totally separate note, I'm looking to move as many lessons as possible to Saturday afternoons/ evenings and Sunday mornings during the winter so it's not so cold for all our riders! Tuesday through Friday nights 5-9 pm I will be up doing training rides consistently so text me if you want your horse on the list as per usual. I want to focus on training during the week and as much as possible teaching on the weekends. Text or email me to set up a new lesson schedule starting February 3, 2014. It would greatly help me so that I can focus on training Tyrion for a Pan American Games bid in 2015, and Explosif for the FEI 6 year olds that same year. Hopefully this will help with school work loads as well and prevent cancellations. I greatly appreciate both your continued loyalty and understanding of my training and work schedule.

Best Regards,  
Daisy Kosa
